**SHRED-FEST, MULCH GIVEAWAY, & FREE E-WASTE and APPLIANCE DISPOSAL
AT VICTOR VALLEY MRF ON SATURDAY, AUGUST 1ST**

High Desert residents are invited to attend the Shred Fest and Mulch Giveaway at the Victor Valley Materials Recovery Facility (MRF) on Saturday, August 1st, from 8 a.m. to 12 noon. The Victor Valley MRF is located at 17000 Abbey Lane, in Victorville, just off of Stoddard Wells Road—right on the way to the County landfill. All activities are FREE and open to all residents of the High Desert.

Free Shred-Fest: High Desert residents can bring up to four bankers boxes of confidential paper documents to be shredded for free. All Purpose Document Destruction will have a truck on site, so residents can watch their documents get shredded. The free shredding is for paper documents from residents only. No business materials.

Free Mulch and Compost Giveaway: Area residents can pick up free mulch during the event. This is a “self-serve” giveaway, so residents will need to bring their own shovels and containers to load the mulch into. Limit 50 gallons per resident.

Free Drop-off of TVs, Computers, and Appliances: Area residents and businesses can bring TVs, computers, scrap metal, and appliances to drop-off for free at the RECYCLE ALLEY drop off area.

Free Reusable Grocery Bags: The first 300 visitors will receive a free reusable shopping bag.

Residents can also visit the MRFs buy back center and redeem CRV bottles and cans for cash.

The Victor Valley MRF serves as the processing center for recyclables from Apple Valley and Victorville's curbside and commercial/business recycling programs. The MRF is also a buy back and drop-off recycling center open to the public and businesses. It is regularly open Monday through Friday from 8 a.m. to 4 p.m. and Saturdays from 8 a.m. to 12 noon.

These events are sponsored by Burrtec Waste Industries and the City of Victorville.

For more information, contact the City of Victorville Recycling Program at 760-955-8615 or the Victor Valley MRF at 760-241-1284.
